RECOsystems CB 6 E

electric punching and manual binding machine

for wire comb

The RECOsystems CB 6 E is a perfect machine for office, copy shop or print house. If you need to bind presentations for a meeting in the office or you have the order to bind books for a customer. With this stable machine it is very easy to produce a high quality book. Electric punching (via foot switch) makes the machine comfortable and easy to use. The machine is also suitable for bigger quantities.
