## RECOsystems RECO LAM 222

### laminator for laminating pouches (A4)

The RECOsystems RECO LAM 222 is a laminator for home or small office use. If you need to protect paper from humidity and dirt or want to give it a more glossy finish, this is the perfect machine for small quantities and for sizes up to A4. The machine uses the modern hot-shoe technology and therefore has a short heating up time and a very good laminating result. If there occurs a paper jam, you can release the tension of the rollers by pressing the ABS switch. Then you can remove the jamed paper and the machine does not get damaged.

### technical specifications:

- working width: A4, 230 mm
- pouch thickness: 2 x 75 - 2 x 125 mic
- max. product thickness: 1 mm,
- speed: 280 mm/min
